

Stephanie's Reading Tricks

— For Older Students —

1. Follow along with audio books.
2. Read together as a family and have family book discussions.
3. Strengthen reading comprehension with TV shows, movies, podcasts, etc.
4. Discuss the "W Questions" (who, where, when, and why) at the end of each page or paragraph.
5. Preview the story -- no need to be surprised of what's next!
6. Write main ideas and literary devices on post-its pre-prepared in the text.
